## STUDENT'S COUNCIL

Student's Council is part of the structure of POLIS University, which carries out its activities in coordination with the governing structures of the University.

The main purpose of the Student's Council is the engagement and activation of students in activities that are closely related to the activities academic but also with non-academic ones that promote active and social life to the students.

The Senate has its own Statute, it is autonomous, it is supported by Office of Students Support and Career Counseling and it represents the voice of students in unanimity.

U\_POLIS has a Student Representative elected through a democratic process by the community based on its on regulation.

Each study/program have their own representative/s, by fulfilling representing proportionality of 1 Representative for 30 students.

## STUDENT REPRESENTATION CONSISTS OF:

### **a) Permanent structure**

1. President
2. Organizational Secretary
3. Senators selected in each class
4. Representative in the Academic Senate
5. Representative in NJBSC

### **b) Temporary structures:**

- c) Working groups (advisors/counselours)
- d) Student Clubs

The Student's Council meets periodically and actively to discuss and manage:

- Academic Issues
- Social and Cultural Activities<sup>1</sup>
- Teams performances in Student Sports
- The Managements of Social Clubs.
- Suggestions and discussions regarding the engagement of Students in the Quality Assurance Unit and the academic Senate, etc.
- Others

---

<sup>1</sup> The Calendar is draft agenda, which is aiming to be fulfilled within the actual academic year, but due to major reasons like weather, pandemic or other minor factors it could be flexible way adapted to the needs and means.

---

The Student's Council, also organizes and manages student clubs through working groups. Members contribute to each favorite club and are responsible for its maintenance and organization. Working groups are also convened for other purposes presented according to need: academic processes, cooperation with ZMSKK, etc.

### **For the Academic Year 2024-2025<sup>2</sup>**

Beside the Community of the Representatives, the Organisative Structure is chosen, which consists on:

1. **The President** – Libiana Hasani\_MSc. Urban Planning and Management (Faculty of Planning, Environment and Urban Management)
2. **Organizational Secretary:** Ilario Broci\_BSc. Computer Science (Faculty of Research and Development)

#### **Student's Representative in the Academic Senate:**
