Training Course on Monitoring of Geotechnical Engineering Structures

Geotechnical engineering structures – life-long training of engineers! POLIS University and business partnership with SISGEO (Italy) & ALTEA GEOSTUDIO 2000 (Albania) provided hands-on real case studies training to 75 participants!

“Imagine Coral Reef” – Art Meets Sustainability

POLIS University and The Austrian Embassy in Tirana hosted the "Imagine Coral Reef" exhibition, blending research and art to highlight climate challenges.

Workshops led by EOOS-Social Design and IDRV Vienna explored regenerative design. Interactive discussions and student projects fostered creative solutions for sustainable ecosystems.

Faculty of Planning, Environment and Urban Management

Study Visit @Bank of Albania

POLIS Business School & Group IGENSIA Education at the Bank of Albania offer a fascinating journey through the history of local currency, from Illyria to the present.

Explore the Treasury Room, learn about governance structures, and discover the mission to achieve price stability and ensure financial stability.

World City Day - Round Table

Youth Leading Climate and Local Action for Cities – Young people play a critical role in addressing climate challenges and driving urban resilience. Explore the impact of climate change on urban life, communities, and social inclusion.

Discover how climate-resilient urban planning can lead to sustainable cities for the future.

POLIS University: Administrative Insights

📌 Scholarships and Admissions

Polis University is excited to announce that the scholarship application campaign for Bachelor's and Master's programs is now open! Scholarships are available for incoming students as well as those who demonstrate academic excellence. For detailed information on eligibility, application procedures, and deadlines, please contact the Marketing Department at marketim@universitetipolis.edu.al.

Don't miss this opportunity—apply now and take the next step in your academic journey!

⚽ Success in Sports

POLIS University men's staff football team has successfully advanced to the final stage of the University Football Championship, organised by the Albanian Federation of University Sports. With the same points as the first-place team, UPOLIS has secured a well-earned spot in the finals.

📄 New Accreditations

POLIS University continues to strengthen its academic standing through several key accreditations:

- British Institutional Accreditation: Polis University has maintained its British institutional accreditation, ensuring alignment with international standards.
- Program Accreditations: The university has received accreditations from the Albanian Accreditation Agency (ASCAL) and international bodies such as AESOP (PhD) and ANVUR.
- CEEMan Accreditation: Preparations are underway for the POLIS Business School further enhancing our academic quality.

🔍 Standards and Administrative Innovations

POLIS University operates under ISO standards, ensuring top-tier management and operational practices. Our external financial auditing ensures transparency, while the RASH sourced information system enhances efficiency and data management across departments.
